REF: IO AGREE THE SPONSOR OF SOLAR POWER
AND WATER SPRING SYSTEM.

The heading above is concerning. As the headteacher of Tumaini Primary school and also member of the school committee have ready to agree the sponsor of solar power and drilling water system at our school from African Hilfe "NGO at March 2016.

As school have already to make conducive environment for all infrastructure about that solar power and drilling water like security of all the time.

We also welcome the members of the "NGO" African Hilfe from Germany at our school for further sponsor such as bulding school library, One teachers house and food for the pupils.

Thanks

Yours
